COLOR SCHEME:

SUBMISSION GUIDELINE

These guidelines are intended to help create readability, and to keep the e-zine easy to navigate.

If you are skilled in creating your own layout, please contact marshmallowzine@gmail.com to get the specific requirements for a spread of your own.

Marshmallow is created in Adobe Indesign

DUE DATE:

December 1st 2015

Send your content to marshmallowzine@gmail.com

Please take the time to check for spelling and grammar mistakes. Please remember to include your name/alias for credit and any links to website you would like associated with your work.

IMAGES AND TEXT:

Minimum Size 150 DPI and A4 for full page images

If there are lots of images for your spread please be sure to .zip them before sending.

Please supply text in a .txt or .doc file

If you have a preferred layout please send a sketch or layout of how you would like it layed out. Otherwise I will use my personal preferance to lay out your content.

RECOMMENDED FONTS:

For readability it is recommended you use the following fonts for the content of your submission if you are setting out a page yourself. Please refrain from using all capitals for the content of your article or description as it is hard for people to read.

Fonts I use for this magazine are:

Title: Aparajita

Text: Arial

Minimum size: 12 pt

Suitable text fonts: Arial, Times New Roman, Tahoma, Verdana or similar
